

**IMPORTANT NOTICE:
2ND AND 3RD YEAR APPRENTICE WELDERS FOR
SPRING SHUTDOWNS**

There will be an opportunity for 2nd and 3rd year apprentices to participate in welder training and successfully complete the “C” Pressure Ticket issued by (ABSA). They will then have an opportunity to be hired by several participating contractors who will put requests into the hall for C Welders.

This tripartite initiative between site owners, contractors and unions will help facilitate Apprentice Welders to acquire the needed skills to become top Pressure Welders.

Please read the accompanying protocol. For more information please contact the Local 488 Welding Shop at (780) 451-6880.
