Dear Amanda:

It is thanks to the kindness and generosity of people like you that we are able to continue to feed hungry Edmontonians year-round. Your thoughtful gesture makes a positive impact on our community. Please accept our heartfelt gratitude for your donation of 126 kilograms of food and \$31.

Edmonton's Food Bank served an average of 22,320 people each month through its hamper programs in 2017. Since 2015, the numbers of people seeking help through the hamper programs has increased by 60%. Since 2013, the Food Bank client numbers have increased by a staggering 92%. Edmonton's Food Bank also provides snacks to school children, food to over 250 agencies, churches, soup kitchens, and food depots across the city to help those in need.

Your donation helps us continue these services into the new year as well as provide holiday meals, turkeys and other foods to those in need. We also offer Festive Hampers for individuals and families to help brighten their holiday season.

We welcome you to come out and enjoy the many festive events that are planned in support of our work. For a list of events and to learn more about the work that we do, please visit edmontonsfoodbank.com for more details.

Please accept our warmest wishes to you this holiday season. Again, thank you for your friendship and generous support.

In appreciation,

Marjorie Bencz, CM
