

Alberta
PIPE TRADES
College

In an effort to provide faster and more efficient service to our members, the Alberta Pipe Trades College will now be taking registrations **exclusively online** for all OSSA and BSO safety courses.

The following courses are currently being offered:

1. OSSA Fall Protection
2. OSSA Elevated Work Platform
3. OSSA Confined Space Entry & Monitor (CSEM)
4. Basic Safety Orientation (BSO)

Please click on the link to register for the courses you require:
