

Greeting Members,

I hope you are doing well and enjoying the last bits of summer. We would like to inform you that Local 488 has returned to the previous protocol prior to August 14<sup>th</sup>, 2020. We are once again accepting appointments with agents, representatives and staff, and the committee's will be meeting back in the main building. Full PPE, social distancing and proper protocols are all in place, masks are to be worn in all common areas, and sanitization is required upon arrival (provided).

Appointments are limited to 30-minute intervals, members are informed of the requirements prior to arriving, then escorted out the southwest entrance when the appointment or meeting is completed. Anyone with possible exposure or any symptoms will be denied access. Please limit office visits to urgent matters for the time being.

We have had Cleantech Innovations come in and spray the building of all surfaces last week with Vital Oxide Disinfectant Solution. This was a precautionary measure, and money well spent.

Should you require a visit, please contact the appropriate officer to secure an appointment. We welcome your feedback and thank you all for your patience and understanding during these difficult times.

Sincerely,

Rod McKay

Business Manager  
UA Local 488
