

**MASKS OR FACE COVERINGS ARE NOW
MANDATORY FOR ALL COLLECTIONS
THROUGH CANNAMM SITES**

Beginning August 1, masks/face coverings will be mandatory for all individuals attending CannAmm collection sites. Unless mandated otherwise, **it is the responsibility of the individual to provide their own mask/face covering.** Safe and reasonable strategies continue to evolve as we learn more about the transmission of COVID-19. Masks/face coverings have emerged as a safe and effective way to reduce spread especially when physical distancing cannot be maintained.

All visitors to CannAmm collections sites **MUST WEAR THEIR OWN MASK/FACE COVERING UPON ENTRY.** Although exceptions may apply, due to limited inventory you should expect that **No masks will be provided at the site.** The mask/face covering shall be worn for the entirety of the visit. It will only be removed should the assessment require its removal and re-worn once that part of the assessment is complete.

Should a visitor to a CannAmm location not comply with any safety protocol, including wearing a mask/face covering, testing will be stopped immediately, and they will be asked to leave.

We appreciate your understanding and cooperation as we strive to provide a safe environment for employees and visitors.

Should you have any questions or concerns, please contact CannAmm's Client Care department at 1-800-440-0023.
