

## Help us make our website better!

We are looking for ways to optimize our website, and we want your input as to how we can make things better for YOU.

Please take a few minutes to reflect on how we could improve your experience and send us your feedback!

Here are some questions to help you out:

- What do you like most about our website?**
- What do you think it's missing from our website?**
- What do you think should be added to the website?**

Send your feedback to [boyd.currie@local488.ca](mailto:boyd.currie@local488.ca)
