

Notice of Motion

Whereas Article XXVIII of the Local 488 By-Laws and Working Rules details the function of the Election Committee and whereas it is widely known but not stated, the committee members would not be eligible to be nominated for a position that an election is required for. Therefor let it be resolved that another paragraph be added to the existing Article XXVIII to read as per the following.

Any committee members wishing to have his or her name on a ballot for election must first recuse themselves from the committee to avoid any perceived conflict of interest.

Respectfully submitted
