

Good Day UA Local 488 Members,

Brothers and Sisters,

The RMA is accepting submissions to establish ongoing historical records of achievements and memories of UA Local 488 members. There are many accomplishments that are little known.

For instance, UA Local 488 Brothers Hubler, Lee and Lopez were instrumental in establishing the Edmonton Food Bank in 1981. This was the first Food Bank in Canada and UA Local 488 made a financial contribution to get it started.

The RMA are requesting artifacts, pictures, personal stories, and anecdotes from members. It can encompass anything that you feel would be of significance to our membership.

Submissions can be dropped off at the UA Local 488 office, marked, 'History' Attention: Shelley Klassen or emailed to [brianfilax@yahoo.ca](mailto:brianfilax@yahoo.ca).

Your participation is essential to make this a success!
