

RAPID SITE ACCESS

P • R • O • G • R • A • M

A VOLUNTARY PROGRAM that provides an effective alternative to Industrial site access testing. Comprehensive, reliable and efficient, delivering an objective policy framework that promotes a safe and substance abuse free workplace.

For participant unionized construction & maintenance workers, the benefits include:

- Conforms to participant workers' strong commitment to safety,
- Expedited dispatch,
- Less testing overall and less testing on personal time,
- Random testing while at work,
- Corrective focus,
- Enhanced privacy,
- Professional administration,
- Increased confidentiality.
