Local Union Responsibilities

The Local Union will provide training for the Standard Coordinator with respect to the purpose and intent of this Standard for Excellence.

The SC is empowered by the Business Manager of the Local Union to work with members and management to correct and solve problems related to job labour performance that have been reported to the Union.

The SC will communicate on a regular basis with the supervision on site and the contractor to convey job progress, work schedules, and work process problems to the employee/members.

Meetings will be established between the Local Union Business Manager or Business Agent and the SC to discuss and resolve issues related to the compliance of the SFE. If applicable, management will be invited to attend and participate in the process. When deemed necessary, the Local International Representative will be invited to attend and participate in the process.

In the event a member(s) is not meeting SFE responsibilities, the Local Union Business Manager or Business Agent and his respective Executive Board Member will assume the responsibility to address problem member(s) not meeting their obligations.

The role of the union is to make every effort to correct the problem by whatever means, to the extent allowed by applicable law, including, but not limited to, the applicable Labour Laws and the Constitution of the United Association.

Process for Addressing Employee Discharges or Layoffs for Cause

Employees who are discharged/laid off by a contractor for cause shall be subject to the following procedures:

1. After 1st discharge or layoff for cause, the employee/member will meet with the Local Union Business manager or the Regional Business Agent and receive verbal counselling. The content of the counselling will include SFE Disciplinary Guideline and Operating Rules and Regulations and the possible penalties which could be imposed under the SFE as a result of any future discharge or layoff for cause.
2. After the 2nd discharge or layoff for cause within a thirty-six (36) month period, the employee/member will meet with the Local Union Business Manager, Local Union Executive Board, for evaluation and counselling related to the reasons for the discharges or layoffs. The employee/ member will be counseled related to the reasons for the discharges or layoffs. The employee/member will be advised that any further discharge or layoffs for cause may result in temporary or permanent removal from the Out-of-Work list.
3. After the 3rd discharge or layoff for cause within a thirty-six (36) month period, the employee/member will meet with the Executive Board, which shall review the facts and make a recommendation for action against the employee/member, with a maximum recommended penalty up to and including permanent elimination from the Out of Work List.

Any penalties imposed as a result of two or more discharges or layoffs for cause within a thirty-six (36) month period, other than permanent elimination from the Out-of-Work list, will be removed from the employee/member's record after thirty-six (36) months.

In the event that the basis for an employee/member's discharge or layoff by a Contractor is challenged as lacking the requisite cause, by a timely grievance filed by the Local Union or the employee/member, that issue shall be resolved pursuant to the provisions of the Grievance and Arbitration Procedure of the applicable CBA prior to any action being taken by the Executive Board.

The suspension of an employee/member's eligibility for referrals from the Out-of-Work List as a result of multiple discharges or layoffs for cause shall not constitute a violation of any provision or section or clause of any applicable Collective Agreement.

The above process may:

1. Require the employee/member to obtain drug and/or alcohol counseling or further training from the JATC before again being eligible for referral.
2. Disqualify the employee/member for referral from the Out-of-Work List for a period of two (2) or more weeks, or permanently, depending on the seriousness and/or repetitive nature of the conduct, with the Executive Board making the final determination as to the employee/member's continued eligibility for referral.
3. Refer the employee/member to an approved employee assistance program for evaluation and recommended action.
4. Declare the member eligible for continued referral employment pursuant to the CBA, including when an employee/member can satisfy his/her onus of showing why he/she should be restored on the referral list, with or without conditions.

In the event that any portion of the SFE Disciplinary Guideline and Operating Rules and Regulations conflict with any provision of the CBA, the CBA shall prevail, unless otherwise specifically stated herein. Nothing in the SFE Disciplinary Guideline and Operating Rules and Regulations shall be construed to amend, modify, restrict, or expand upon, any right, obligation, or provision contained in the CBA.

The SFE Disciplinary Guideline and Operating Rules and Regulations shall constitute an addendum to the CBA. Any changes to the SFE Disciplinary Guideline and Operating Rules and Regulations during the term of the CBA must be in writing and signed by the parties. Nothing in the SFE shall hinder the right of the employee/member to file a grievance as allowed for in the CBA.
